Mr. Geo Hampton
1310 Assembly St.
Columbia S.C.

Dear Mr. Hampton:

I guess you will be surprised to receive a letter from me, but I am writing to get you to do me a favor. I assure you it will be greatly appreciated.

There is a boy in your city that I would like very much to get to training camp with The Eagles. You may have heard of him. He is spoken of as T.C. His correct name is Thomas Thacker. You recall sending a man with me to the ballpark, who is the manager of the local team. If you cannot contact him any other way, this gentleman will know exactly where he is, as T.C. played with him.

If you can locate him and will send him to me in Savannah I will send you the money you lay out immediately. I am very anxious to get him to camp. My address in Savannah is 520 West Henry St. in care of Al. Roberts.

I will be very grateful to you if you can help me, and assure you again I will take care of any expense connected with getting him lined up.

I guess the gentleman you sent with me to the park told you what was said. I guess there won't be much use trying to come to Columbia at this time. If you can work out anything I will come whenever it could be arranged.

I will appreciate very much hearing from you right away, so I will know whether or not to expect him.

Very Truly Yours
